**ORDER ON EMERGENCY MOTION FOR CONTINUANCE
OF SELF-REPORT DATE**

The defendant's emergency motion for an additional 7-day delay of his self-report date is **GRANTED** over objection. The government may be correct that at this stage post-Irma, there is a safe and feasible way to complete the various stages of the journey from the defendant's home in Orlando to the designated facility in Atlanta by this Friday's 2:00 pm deadline, but I am left uncertain, and my understanding is that the Bureau of Prisons prefers self-reporting on Fridays, which makes a shorter delay problematic. There will be no further extensions.

SO ORDERED.
